NEW YORK STATE BLUES ★ Festival ★

Sponsor the 2025 NYS Blues Festival!

With the mission of preserving and promoting blues music and culture, our nonprofit organization strives to bring the best local, regional and national talent to the stage for this three-day event. Past performers have included legendary artists Buddy Guy, Dickie Betts, Ronnie Earl, Joe Bonamassa, Otis Rush, Jimmie Vaughan, Bo Diddley, Elvin Bishop, The Fabulous Thunderbirds, and more. In recent years the event has featured impressive line-ups of modern crossover artists including Little Steven & the Disciples of Soul, Larkin Poe, Robert Randolph & the Family Band, Devon Allman Band, and J.J. Grey & Mofro whose set was named the #1 “Best concert of Summer 2017” (Syracuse.com). Blues rock legends, Little Feat, headlined the 2024 event, bringing in a crowd that filled Chevy Court.

From Danny Liedka, President & CEO Visit Syracuse:

“The New York State Blues Festival at the New York State Fairgrounds was simply a first-rate event. Attendance climbed once again thanks to the tremendous marketing efforts of the festival, paired with the Visit Syracuse team. In the weeks leading up to the festivals, our targeted digital and OTT streaming services advertising campaign, developed in partnership with Advance Media New York, delivered hundreds of thousands of impressions throughout Upstate New York, Pennsylvania, Massachusetts and the New York City/New Jersey/Connecticut tri-state area, resulting in thousands of clicks to our website for additional information. This drove people into our county from many different states, including from as far away as California. Many visitors came down from Canada, and the festival even attracted fans from Brazil! The Saturday of the New York State Blues Festival was the most popular arrival date for visitors to Onondaga County in the month of June! The average distance traveled to the festival was 129 miles, boosting significant dollars into the tourism economy via hotel rooms, food and beverage, gas and shopping expenditures”.
